In Person or Video Call

(when in person is not available)

Session Learnings

- Develop storytelling strategies
- Identify your speaking goals
- Learn communication strategies
- Learn body language/voice skills
- Eliminate Fears/nerves
- Develop confidence to be yourself and share your story
- Develop confidence on camera/stage

Storytelling

"Humans are emotional creatures. My impression is that storytelling allows us to digest information more easily because it connects that information to emotions. ...

Storytelling is important because it is effective at teaching in a way that people can easily remember, and at helping people relate to one another.."

Program Snapshot

- Tailored individual support
- Prepare and practice presentations
- Build your confidence to be a great speaker, just as you are.
- How you make an impact, deliver talks, presentations, workshops
- In your career/business or a cause you support
- Planning for success
